

**THE CONFEDERATED SALISH AND KOOTENAI
TRIBES, THE SOVEREIGN PEOPLE OF THE FLATHEAD
INDIAN RESERVATION**

VISION

The traditional principles and values that served our people in the past are embedded in the many ways we serve and invest in our people and our communities, in the ways we have regained and restored our homeland and natural resources, in the ways we have built a self-sufficient economy, in the ways we govern our Reservation and represent ourselves to the rest of the world and in the ways we continue to preserve our right to determine our own destiny.

MISSION

Our mission is to adopt traditional principles and values into all facets of tribal operations and service. We will invest in our people in a manner that ensures our ability to become a completely self-sufficient society and economy. We will strive to regain ownership and control of all lands within our reservation boundaries. And we will provide sound environmental stewardship to preserve, perpetuate, protect and enhance natural resources and ecosystems.
